HARRISBURG, PA. August 14.— Richmond dropped further in the slump here to-day, when it went down to the The visitors had the first game apparently cinched, but Harris-burg tied the score when it fathomed Morrisette, and finally drove across the winning run. Jim Thorpe's batting was a big factor in the game, the In dian having a single, double and triple in four trips to the plate.

Richmond failed to make any im-pression in the second game after the second inning, when they batted Lee for two clean runs, the second scoring when Healey stole home from third, Kraft dazedly watching the flying Kraft dazedly watching the dying Climber on his trip to the plate. COLEMAN WILL BE CAPTAIN

OF ELEVEN THIS YEAR

Harris Woolfolk Coleman, of Stanford, Ky., left guard on last year's team, was chosen to lead the 1915 eleven. He played a consistent game throughout last season, but in the final contest with the University of North Carolina, staged at Richmond on Thanksgiving Day, he fairly outdid himself. Time and again he broke through the Tarliel line and played havoc with the plays started by the Carolina backfield. Once during the game he was completely knocked out and was forced to retire to the sidelines. Later he returned to the fight, full of ginger, and finished strong.

In December last "V's" were awarded to sixteen members of the squad. Of this number it is believed that the following are apt to return: E. N. Mayer, of Norfolk, captain and left half-back; K. A. Sparr, of Memphis, Tenn., full-back; James L. White, of Macon, Galeft end; R. A. Barker, of East St. Louis, lill., right tackle; James Clay Ward, of Parls, Ky., left tackle; H. W. Last session was a banner one for athletics at the University of Virginia, The football eleven lost only one game—that to Yale; the basket ball quint captured seventeen games from the strongest rivals in Virginia, Maryland, North Carolina and the District of Columbia, not sustaining a single defeat, while the track and baseball teams had highly creditable records.

The football eleven, led by Oaptin Bluck Mayer, of Norfolk, was one of the best that has ever represented the university. With a total of 33 points against opponents 88, and a total of 52 touchdowns, the season as a whole was highly successful. Speaking of the single defeat at the hands of Yale, the New York Times said that the victors "physically were played off their feet." The strongest teams of the South-Georgia, North and South Carolina and South Carolina were easily defeated.

Though handicapped by the loss of three star players on account of the eligibility rule. Duplex, the "dark horse" in the post-season race, gladdened the hearts of the Commercial League followers by grabbing the first game of the double-header yesterday a fiferinoon with Portners, pennant winners in the Richmond League, by a 13 to 2 score. The brewery boys came back in the second fracas, which they captured easily with the long end of a 9 to 1 count. Both games were staged in Broad Street Park and attracted a large crowd. The Duplex followers are highly elated over the team's victory, and they have fond hopes of winning the declding game to the was a surprise to the followers of the sand-lotters, as every body looked upon Portners as sure winners. when his teammates failed to give why when his teammates failed to give him the support that he is in the habit of receiving.

Portners' players seemed to realize in the early stages of the first game that they did not have their usual ginger, and played the poorest ball that they did not have their usual ginger, and played the poorest ball that they have exhibited during the entire season. Albert Burch, who relieved Napier in the seventh inning, had better luck, not a man reaching first base after he undertook the mound work. Duplex played the game of its life and was simply unbeatable. The machinists hit the ball hard and fielded like big leaguers.

In the second game the Portners seemed to realize that a nice trip to Myashington depended on their effort; and the way in which Dunn, pitching for the brewery boys, went after the envelope makers was a caution. Not only did Portners rely on their defensive work, but they slugged French so hard in the second inning that this slab artist was retired in favor of Mason, who lasted about one-half as long as his predecessor. Mason was relieved by Hinchman, who did well for the remaining three innings.

The honors belong to Blanton and Lowry, of Duplex, in the first game, and in the second frame F. Burch's catch of two hard drives to center, Dunn's superb pitching and Chittum's batting.

QUALITY OF FOOTBALL HAS IMPROVED EACH YEAR Football, as played by the Eastern Virginia Intercollegiate Association, has improved every year, until the exhibitions are now the best seen in this section. The teams, while light, make up this deficiency by speed, and show more "new" football than the larger institutions. All four have efficient coaches, with such men as Dobson, Bernier, Reiss and Draper, and from present indications some speedy teams will be turned out this year.

Important changes have been made

The tennis team representing the Norfolk Country Club met and defeated the Country Club of Virginia racketers yesterday afternoon in both singles and doubles. The matches were played on the local courts, with a large and enthusiastic gallery present. The visitors won three in four matches in the singles and two in three matches in the doubles.

The result of the match was not much of a surprise to local followers of tennis, as the Norfolk team ranks high among Southern clubs. One of the most gratifying features of the condition, which would necessitate the playing of an intersectional game to decide the championship of the State.
